

Below are the steps to be taken when cancelling an RFx.

1. In the RFx, click 'Edit' and select the User-Specified Status tab. Select "Closed" in the dropdown under the Status column that corresponds to the 'Close RFx' Status Type. The date field will automatically populate with the current date.

The screenshot shows the 'User-Specified Status' tab. The 'Status' dropdown menu is open, and 'Closed' is selected. The 'Date' field is populated with the current date.

The screenshot shows the 'User-Specified Status' tab. The 'Close RFx' status type is selected, and the status is 'Closed' with a date of 03/07/2012.

2. Select the 'Notes and Attachments' tab. Under Notes, click 'Add' and select 'Synopsis Description'.

The screenshot shows the 'Notes and Attachments' tab. The 'Add' button is clicked, and the 'Synopsis Description' option is selected from the dropdown menu.

How to Cancel an RFx

- A text box will be displayed for you to type relevant cancellation text which will appear on the RFx as 'Notice to Bidder' text. (See SRM screen caption & RFx output examples below):

SRM:

The screenshot shows the SRM interface with a 'Change Synopsis Description' dialog box open. The dialog box has a title bar with 'Change Synopsis Description' and a close button. The main area contains a text box with the text 'This RFx is being cancelled in its entirety due to budget constraints.' Below the text box are 'OK' and 'Cancel' buttons. The background shows the SRM interface with tabs for 'Notes and Attachments', 'Weights and Scores', 'Approval', and 'Tracking'.

RFx output:

QUESTIONS TO BE COMPLETED BY VENDOR	Required
